Vision Care Participates in KCC Health Fair

On Saturday, Vision Care participated in the **Korean Community Center of Tenafly's annual Health Living Expo**, where we provided free eye screening for cataracts, glaucoma, and other eye diseases.

Led by our dedicated volunteers Dr. John Lee, Jacey and Sara, we examined 54 community members.

Thank you for a job well done!

Our 6th Annual Local Eye Camp will be held on Saturday, November 12th!

During this upcoming community event to be held at **KCS (Korean Community Services of Metropolitan New York) in Bayside Queens**, we will be providing free

eye examinations and selecting up to 5 individuals to receive free cataract surgeries.

Must be 18+ and uninsured to qualify.

For more information, please contact Amy Ahn at info@vcs2020.org.
