

4th Local Eye Camp brings Holiday Cheers to the NY/NJ area

On November 16th, Vision Care USA held our **4th Annual Local Eye Camp**, this year at the KCS Korean Community Center in Bayside, Queens, where our doctors, medical students and other volunteers screened 75 patients and selected 5 among them to receive the free cataract surgeries.

And led by Dr. Daniel Kim, the first 3 of these patients, which included a 92-year-old grandmother, received the sight-restoring cataract surgeries this past Wednesday at the NJ St. Mary's Eye & Surgery Center.

Thank you to all our many partners and sponsors for your support: St. Mary's Eye & Surgery Center, KCS, JoongAng Ilbo (The Korea Daily), Bank of Hope, Korean American Medical Association (KAMA), Overseas Koreans Foundation, Joh Foundation, ASCRS Foundation, UBASE, Mr. Jiyong Lee, and the Korean American Medical Students Association (KAMSA).

Support our Year-End Campaign and Give the Gift of Sight this Holiday Season!

Our **Year-End Campaign** is still live! Please give today, and help a child like Yasmine receive life-transforming surgery for a better future.

Thanks to our supporters, Yasmine received strabismus surgery during our Morocco Eye Camp in November.

Our goal is to raise *\$10,000* for much-needed medical supplies for our 2020 Eye Camps. Donate today!
