

### *News from Morocco*

Vision Care recently organized 3 week-long Morocco Eye Camps back-to-back, first in Meknes (led by Vision Care Service East), followed by Eye Camps in Essaouria and Safi (led by Vision Care USA HQ).

And during these 3 weeks (April 20 - May 11), we examined 1,179 patients and performed 394 sight-restoring surgeries, including 24 pediatric strabismus surgeries.

Special thanks to the medical team at the University of Texas - Health Science Center at Houston, Dr. Gene Kim, Dr. Megan Geloneck, Dr. Layla Ghergherehchi, Dr. Jeanie Ling, Dr. Katie Maier, Latarsha McDaniel for joining our Eye Camp this year.

And thank you to all of our many volunteers, for making our 3 Eye Camps in Morocco very special!
