

Special Campaign with EONE

We are very pleased to announce that Vision Care will be collaborating again this year with EONE Timepiece on World Sight Day* (Thursday, October 11) where 100% of EONE's sales profits on this day will support Vision Care's blindness prevention work around the world.

EONE is a timepiece with a unique design inspired by the needs of the blind, but made for EVERYONE, and founded by MIT graduate Hyungsoo Kim. Last year, through this campaign, we raised \$7,039.50 for Vision Care's work.

"We are really pleased to support global NGO Vision Care on World Sight Day", says EONE's Founder and CEO Hyungsoo Kim, "to bring attention to preventable blindness, and to support Vision Care's work to Give the Gift of Sight, to those around the world who otherwise would never have the opportunity to see again."

The special EONE promotion link will be shared with you this Thursday, October 11th, on World Sight Day, so please stay tuned!

***World Sight Day (WSD)** is an annual day of awareness held on the second Thursday of October, to focus global attention on blindness and vision impairment. WSD is coordinated by IAPB (International Agency for the Prevention of Blindness) under the VISION 2020 Global Initiative, in partnership with the World Health Organization (WHO).
