

Thank you for your support in 2018!

Dear Friends,

Your generous support has enabled Vision Care to give the wonderful Gift of Sight to thousands of men, women, and children around the world - in countries like Mauritania, Nigeria, Pakistan, El Salvador, Morocco, Ethiopia and Uzbekistan - who would otherwise be needlessly resigned to a lifetime of blindness.

And we also want to sincerely thank our dedicated team of doctors, surgical nurses, and other medical and non-medical volunteers for joining our 25+ Eye Camps this year. Your work and dedication to restoring sight in some of the poorest regions around the world have truly transformed lives, families and communities.

With gratitude we wish you & your family all the best in the New Year!

Sincerely,

Give the Gift of Sight today!

Help us to reach our on-line fundraising goal of \$15,000!
